

10-9-2019

Commission Meeting

Present: Jay McCusker, Tim O'Neil, Jay Ennis, James Ash, Wendy Roberts

Quorum Established

Fuel Tank from Cog Railway – Presby Transportation will move it, preliminary estimate is \$1,000, Wendy will follow up

QT Pod – Jay has ordered it, he will work on the installation with QT Pod with an ethernet cable. Discussion had regarding switching service from AV Fuel for credit card processing to QT Pod. Wendy moved to switch to QT pod at the time of installation of the new credit card machine, seconded by Tim, all voted in favor.

Tractor repairs – rear PTO is not engaging when the switch is thrown. Wendy will reach out to the Town to see if Bill Rines can look at it

Lockbox – it is now installed on the SRE building

Snow Removal Plan – Jay has simplified it again. Jay will continue to be the operations supervisor, doing NOTAMs, install snow stakes next to all the lights before ground freezes, reached out to Paul Cormier to take over tractor plowing– Jay will meet with him next week.

Diesel purchase – Precision Fuel – Wendy to get account set up and authorize Jay to purchase

Small tank will be sold once the other tank is up and running

Meeting adjourned.
