

Airport Commission Meeting

July 17, 2019

Quorum Established – Jay Ennis, Jay McCusker, John Ogle, Jim Ash, Lyn Tober, David Presby, Wendy Roberts

Engineer's Report – they are working on altering the plan with KOBO to look at LED lighting now that FAA approved LED right after we went out to bid

Need to get the DBE done- Gale will help

Manager's Report

Fuel purchase – Wendy reported we have sold a fair amount, asking for authority to purchase fuel when cost is low

QT Pod – Jay is starting to see the new M4000 terminal showing up in other airports, concerned that even if it doesn't break, it won't support the new credit card processing standard. We need to obtain a quote.
